

# Community Futures

# Self Employment Program

## Nancy's Dog Grooming

"The Self Employment Program helped me make my dream a reality!"

## SP Technologies – Sagir Patel

"Thank you, my business is a huge success."

## Street Wise Traffic Control

"The staff were very informative and worked amazingly as a team to get me pointed in the right direction. We opened in August 1 2013 and have been growing our business ever since with great success."

## Cindy Richard Reflexology

"The support, expertise and guidance from the self employment program helped me become a self sustained business owner."

Our clients, who range in age from 25 to 75 years, have started and sustain all sorts of businesses that serve a diverse clientele. Some of the many different business types we have assisted here at the Community Futures Self-Employment Program include:

Electrical Service | Hairdresser | Business Consultant  
Repair Person | Bookkeeper | Corporate Trainer  
Daycare | Automotive Repairs | More...

*The Self-Employment Program helps you make well thought out, lasting transitions from unemployment to business ownership. We guide you to success by offering business planning assistance, practical training, one-on-one coaching, financial assistance and the support of our experienced team.*

**Our experienced and supportive team will:**

- Guide you through the process of market research to determine the viability of your idea
- Assist you with your business plan
- Offer you business skill training that is relevant and motivating
- Offer you one-on-one counselling for planning, marketing and financing

*Continuous intake, new clients start everyday*
